

## Tennis Australia Charitable Giving

### Donation Requests

Thank you for your interest in receiving a donation from Tennis Australia. Tennis Australia is dedicated to supporting local charities that directly impact Australian communities. We reserve our charitable donations for initiatives aimed at raising funds and improving opportunities for vulnerable members of society, ensuring support reaches those who need it most.

In order for us to understand if you align with our support criteria, please complete and submit the following form. We also encourage you to review the below information to get an understanding of our approach to charitable donations.

#### **DONATION GUIDELINES**

Recipients of donated products or services must:

- Be a not for profit organisation, school or charity based in Australia and directly supporting the Australian community. Donations will not be made to individuals
- Gifted services or products must be used for a charitable purpose (e.g. fund raising events)
- Adhere to the terms and conditions provided

When allocating donations, we carefully evaluate the cause, the size and reach of the organization, and the potential impact of our contribution. This ensures that our support goes to initiatives that are meaningful, impactful, and have the capacity to make a real difference within our local communities.

Unfortunately, we have a finite allocation available for donation each year, so not all requests can be met.

**Please note, applications are open until 5:00pm AEST September 30th, 2025.**
